

MOVE CONFIDENTLY FORWARD

Redevelopment Insurance for the Senior Living Industry

With the seniors' population in Canada expected to double over the next 20 years, your industry can expect to be in building and redevelopment mode for years to come. That makes for an exciting future but one that also carries all the risks of rapid capacity expansion. HUB has powerful tools and market resources we can deploy to safeguard construction projects of all sizes.

HUB's specialized experts will work proactively with you to respond effectively to the special insurance challenges presented by redevelopment projects in your industry.

- We help you keep insurance costs down to give you an edge in the competitive bid process.
- We manage all aspects of your insurance program so you can focus on your business.
- We can deliver higher limits, better coverage, reduced accident-related delays and the ability to lock-in extended completed operations protection.
- We share knowledge gained through involvement in many major projects in your sector.

Our commitment is to keep you moving confidently forward to meet the growing need for senior living space. Let's work together to develop a tailored service plan that will meet your needs in areas including:

- Claims management
- Contractual risk transfer and contract management
- Insurance specification reviews
- Risk management
- Alternative insurance programs
- Customized course of construction programs

Of course, HUB offers the complete range of construction insurance and surety products to protect you from the planning stages right through to commissioning.
