You should consult an attorney, accountant, or other legal or tax professional regarding the application of the general information provided here to your organization's specific situation in light of your organization's particular needs.

# Returning to the Office Following Suspected or Confirmed COVID-19 Case

**EXPOSURE:** PHAC recommends 14 days of quarantine after exposure based on the time it takes to develop illness if infected. Thus, it is possible that a person known to be infected could leave isolation earlier than a person who is quarantined because of the possibility they are infected.
