RE: Employee Assistance Program – Effective July 1st, 2023

We continually strive to ensure our employees have high quality, competitive and cost-effective benefits programs. Every component of the overall package is carefully reviewed on a regular basis. We recently conducted a review of the Employee Assistance Program (EAP) and have determined that our employees are best served by remaining with **TELUS Health EAP (formerly called LifeWorks)**. Effective **July 1st, 2023**, however, a new telephone number and online login information will be required.

TELUS Health EAP is available 24/7 by **phone, online, or by mobile app**. TELUS Health EAP has support and services for you and your eligible dependents' mental, physical, social, and financial well-being.

Confidential and No Cost

The EAP is completely confidential within the limits of the law. No one will ever know that you have used the program unless you choose to tell them. There is no cost to employees or eligible family members to use the EAP. This benefit is provided to you by Alliance Maintenance LP.

Support & Resources

Every day brings changes and challenges. TELUS Health EAP can support you and your dependents with almost any issue, whether related to health, family, money, work, or anything in between. If you have questions about handling stress, maintaining relationships, dealing with changes at work, parenting and childcare, managing your money, caring for an older relative, or health issues like losing weight or giving up smoking, you can turn to TELUS Health EAP for answers. You can speak confidentially to one of their trained professionals, they have the knowledge and experience to offer support and strategies for work-life issues. They can connect you to counselling, set up consultations (legal, financial, parenting, eldercare, etc.) and refer you to helpful agencies and organizations in your community.

Let your EAP help you find solutions for your work, health, and life:

- **Short-term Professional Counselling** provides support for personal and emotional issues.
- **Family Support Services** provides access to child and eldercare resources.
- **Legal Support Services** provide consultation with professional lawyers to answer legal questions.
- **Financial Support Services** provide consultation with financial professionals to answer financial questions.
- **Specialized Counselling and Online Programs** to assist with career challenges, managing stress, and more.
- **Nutritional Services** offer consultation with Registered Dietitians on any nutritional matter or concern.
- **Health Coaching** by Registered Nurses can provide information and advice.
- **LifeWorks Fitness** provides a full suite of fitness offerings you can do from the comfort of your home.
